

## **Division of Orthopaedics Goals**

### **Strategic Planning Retreat March 12, 2004**

#### **Clinical Centers of Excellence**

- Sports Medicine
- Shoulder
- Pediatrics
- Hand
- Spine
- Trauma
- Foot and Ankle

#### **Advantages**

- Renovated clinic & physical therapy area
- Regional Clinics – Morehead and Georgetown – Kentucky Clinic South
- Improved marketing

#### **Weaknesses**

- One fellowship trained trauma surgeon
- 1.5 reconstruction surgeons
- Lack of operating time/flexibility
- Faculty turnover
- Inadequate support services
  - Radiology
  - Parking
  - Records
- Need ten additional orthopaedists
- Community perception
- Large indigent population

#### **Educational Goals**

- OITE greater than 50%
- Residents pass boards exam 100%
- Match Day Top 10
- Increase residents from 3-4 per year
- Fellowships increase 1 to 2 in Sports Medicine; 1 in Spine

#### **Research Goals**

- Double publication and grant funding in five years
- Increase industry funding
- National prominence for UK Orthopaedics
- Fund Endowed Chair
