1. Addendum to May 2022 Degree List

Senate Council Chair Aaron Cramer (EN) called the Senate Council (SC) meeting to order at 9:15 AM. The Chair informed SC members that because this was a special session, there would not be opportunity for regular agenda items such as items from the floor. The Chair explained the purpose of the special session was for SC members to approve the addition of two students to the degree list, which would be voted on by the Board of Trustees the following day. The Chair explained that he was told the two students were part of the 2016 cohort and the addition of the two students to the degree list would benefit the University's six-year graduation rates.

Grossman (AS) **moved** for elected faculty members of SC to approve the addendum to the degree list on behalf of elected faculty senators for submission to the President through the Board of Trustees. Duncan (ME) **seconded**. The Chair asked if there was any debate and there was none. There being **no objections**, the motion **passed** by way of unanimous consent.

The meeting adjourned at 9:17 AM with no objections.

Respectfully submitted by,
Aaron Cramer
