Hi  
Just to let you know there is one appeal for a [REDACTED] pending [REDACTED] t came through in August and [REDACTED] sent the info from Kelsey Carew to rina to review [REDACTED] haven t heard anything from rina yet as to whether she agrees with the denial of the exception  
Thought you might like to see what Kelsey had to say before the meeting  
Ann

Ann

No problem! I m glad the student is pursuing this option if they feel it to be necessary

[REDACTED] would be happy to talk through this more during our meeting ( I m not sure [REDACTED] ve seen mention of that meeting yet) Do you know what day/time that may be? I ll be sure to add it to my calendar

As for the rationale.....

DESN 101 from [REDACTED] vy Tech went through a series of equivalency reviews over the years The most recent decision was made in 2019 for this course from the College of Design specifically and was determined equivalent to ARC 199 (see below screenshot for a log of the proposed then final equivalency determination) The course was originally proposed to count as an Arts & Creativity course but was deferred from the College of Fine Arts over to the College of Design for review With this in information in mind and reflecting on the fact that the student s home college did not deem this course equivalent to an Arts & Creativity option [REDACTED] proved compelling in this case to deny the request

After seeing the information in our own system [REDACTED] then dove further into the student s petition to examine [REDACTED] vy Tech s core curriculum to see if we could draw on any through lines from a general education core tag from the previous institution The course in question DESN 101 was not in [REDACTED] vy Tech s core curriculum requirements either [REDACTED] t is worth noting [REDACTED] vy Tech requires 3 9 hours of coursework in a core area called [Humanistic and Artistic Ways of Knowing](#) but this course did not meet the requirements for this category

Lastly [REDACTED] researched [REDACTED] ndiana s statewide general education agreement [REDACTED] ndiana College Core and this course was also not eligible for guaranteed statewide transfer as a general education course ([https://transferin.net/transfer\\_resources/transfer\\_databases/core\\_transfer\\_library/](https://transferin.net/transfer_resources/transfer_databases/core_transfer_library/))

**EVALUATION LOG:**

8/13/2019 6:49:14 AM	[Swanson, Azhar]	Approve: Per Prof. Bruce Swetnam
7/24/2019 12:17:35 PM	[Swanson, Azhar]	Delete equivalent course: A-S 1--
7/24/2019 12:17:30 PM	[Swanson, Azhar]	Add equivalent course: ARC 199
6/11/2019 9:41:37 AM	[Palmquist, Barbara]	Re-Assign to: Swanson, Azhar - RUTH ADAMS THOUGHT THAT THIS SHOULD COME TO THE DESIGN AREA INSTEAD OF THE ART DEPARTMENT. COULD YOU HAVE SOMEONE ASSIGN AN EQUIVALENCY AS SOON AS POSSIBLE. THANKS.
6/1/2019 1:33:37 PM	[Adams, Ruth]	Re-Assign to: Palmquist, Barbara - Barbara, I am happy to assign this to A-S 1-- but have you spoken with Design? I think this might be their course. Best, Ruth
6/1/2019 1:32:53 PM	[Adams, Ruth]	Add equivalent course: A-S 1--
6/1/2019 1:32:42 PM	[Adams, Ruth]	Delete equivalent course: A-S 200
5/31/2019 11:33:54 AM	[Palmquist, Barbara]	Request initiated. Assigned to Ruth Adams
5/31/2019 11:33:54 AM	[Palmquist, Barbara]	Propose equivalent course: A-S 200

For these reasons [REDACTED] felt that there was not enough evidence that it met the spirit of the Arts & Creativity area of UK Core based on the findings of the above areas of research

Thank you

Kelsey
