RE: Change of prefix for AC 301/401 to IAS 301/401

This is a follow up to the Senate 2004 approved change to the title the minor from American Culture to American Studies. The corresponding courses of the minor we not changed, of which there are two: AC 301 and AC 401. The AS prefix was previously used by the Aeospace Studies Program, but that was discontinued in 1998. Availabilty of the IAS prefix was verified by the Office of the Registrar on 10/22/11.

The content of the course will not be changed nor will this or any program.

We are requesting updates to be made to the bulletin to relect the change in prefix and course title.

In the 2011-2012 bulletin, please edit the pages: 115, 162, 163, 164, 307

Hi Kari –

Thank you for your email. I just checked and it appears as though IAS is an available prefix if this is preferred over AS.

Thanks and have a great weekend!

Subject: folllow up question about available prefix

Hi Leslie,

For the American Studies minor (in college of A&S) we are wanting to change the prefix from AC to IAS. We currently have two classes under the AC prefix (AC 301 and AC 401). The change is to reflect the change in name of the minor itself from American Culture to American Studies, which was done in 2004. I have searched the bulletin and cannot find any conflicts with the IAS prefix. Can you please confirm?

(I had previously asked about the AS prefix, however the request was not approved by my college)

Thanks,
Kari
