## APEX Review for Course or Program Proposal

Changes in the major and/or minor requirements affect our current electronic degree audit system, APEX. How will the degree audit in APEX be affected by the course or program proposal? Please show in detail the changes and how they would impact major or minor requirements in your department or the College requirements if the proposal is approved. If you are unsure as to how to answer this question, please contact Mike Shanks in the Arts & Sciences Advising Center at [jmshan2@email.uky.edu](mailto:jmshan2@email.uky.edu) or 257-8712 before filing this proposal.

Proposal: Drop ANT 323

Impact on department major:

None – This course is one of several that can be used to fulfill a major requirement. We are developing other regional cultural anthropology courses that utilize current faculty regional expertise.

Impact on department minor:

None.

Impact on College requirements:

This course will have to be dropped from the USP Cross-Cultural requirement list. We are developing others that we plan to add to that list, should it remain in place after the USP reform.

Signature of department DUS required:
