8. Rationale for Change(s): (If rationale involves accreditation requirements, please include specific references to those requirements.)

We are requesting a change in the designation of this degree program from Journalism-General Editorial (JGED) to Journalism (JOUR). The JGED designation, which currently appears on students' diplomas, is left over from a number of years ago when both newswriting and advertising options were offered under the Journalism heading. That has not been the case for some time; Integrated Strategic Communication (ISCO) replaced the old Journalism-Advertising designation, but the corresponding change was not made on the editorial side. The Journalism/JOUR designation is much more appropriate as a descriptor of what our Journalism majors now do in this field of study.

9. List below the typical semester by semester program for a major.
