To: Brothers, Sheila C
Cc: Sweigard, Richard J
Subject: Changes to CHE 105

OFFICE OF THE
SENATE COUNCIL

Sheila,

Below are the items you requested. Let me know if you need something else.

- a. Degree name and major: Mining Engineering
- b. Home academic department and college: Mining Engineering, College of Engineering
- c. Current number of credits: 136. Proposed number of credits: 137 (note: pre-major requirements have changed from 35 credits to 36 credits. This change is required because CHE 105 is a pre-major requirement and CHE 105 has been changed from a 3-credit course to a 4-credit course.)
- d. Date of internal approval: Department: April 23, 2012, college: April 25, 2012.

- Joe
