## 2. General Education Curriculum for this Program:

The new General Education curriculum is comprised of the equivalent of 30 credit hours of course work. There are, however, some courses that exceed 3 credits \& this would result in more than 30 credits in some majors.

- There is no foreign language requirement for the new Gen Ed curriculum.
- There is no General Education Electives requirement.

Please list the courses/credit hours currently used to fulfill the University Studies/General Education curriculum:
Program has already been updated with UK Core- Courses listed below
Please identify below the suggested courses/credit hours to fulfill the General Education curriculum.

Comments:

[^2]
[^0]:    ${ }^{1}$ Prior to filling out this form, you MUST contact the Associate Provost for Academic Administration (APAA). If you do not know the CIP code, the (APAA) can provide you with that during the contact.
    ${ }^{2}$ Program changes are typically made effective for the semester following approval. No program will be made effective until all approvals are received.

[^1]:    ${ }^{3}$ Note that MA 109 is NOT approved as a Quantitative Foundations course. Students in a major requiring calculus will use a calculus course (MA $113,123,137$ or 138 ) while students not requiring calculus should take MA 111, PHI 120 or another approved course.

[^2]:    ${ }^{4}$ Councils use this space to indicate approval of revisions made subsequent to that council's approval, if deemed necessary by the revising council.
