6. Minor Requirements (if applicable)

<u>Current</u>	<u>Proposed</u>

Total Hours:

7. Rationale for Change(s): (If rationale involves accreditation requirements, please include specific references to those requirements.)

Rationale to Drop: CLM 353: Health Administration, Planning, and Management Techniques

1. Essentials of strategic planning can be adequately covered in **CLM 452: Community and Institutional Planning for Health Services Delivery**
2. Essentials of health administration and management techniques can be adequately covered in **CLM 351: Health Services Administration and CLM 444: Leadership and Human Resource Management**

Rationale to Add: CLM 350: Health Policy and Politics

1. This course will provide information that is important and relevant to health professionals. Course content will focus on the history and development of US health policies and the strong influence politics, money, the media, and special interest groups have had in defining and shaping those policies. Current health interests, concerns, and issues will also be examined and analyzed.
