Effective Date of Drop: Semester Following Approval OR:

Cross Listing:

Cross-listed course prefix and number: none

Should the cross-listed course(s) also be dropped?: No

Explain, if necessary:

Why is this course being dropped?: ENG 105 was originally a 3-credit equivalency course for freshman writing. This course is not offered by the ENG Department. The University has successfully transitioned to the new UK Core structure which now handles all the necessary equivalencies. ENG 101, 102, 104, and 105 are no longer offered at the university level as a result of these changes. Therefore we want to remove them from the Course Catalog to avoid any confusion.

Will dropping this course change the requirements for any program?: No

If Yes, list the program(s) here:

Has the course been taken by a significant number of students in other colleges/depts?: No

If YES, list the colleges/departments:

If YES, what provision has been made for meeting the needs of these students?:

Is this course currently included in the University Studies Program?: No

Submit as New Proposal Save Current Changes

The effective data for a dropped course is the first term when the course is not available, NOT the last term the course is offered.
 Effective dates are typically the semester following approval. No course will be made effective until all approvals are received.
 Signature of the chair of the cross-listing department is required on the Signature Routing Log.
 In order to change a program, a program change form must also be submitted.
