Effective Date of Drop: Semester Following Approval OR:**Cross Listing:**

Cross-listed course prefix and number: none

Should the cross-listed course(s) also be dropped?: No

Explain, if necessary:

Why is this course being dropped?: ENG 161 is a ghost course that is not offered at UK and has never been offered at UK. Originally it was created to provide transfer equivalency credits. Following new SACS rules we do not use it for equivalencies any longer. Now we only give equivalencies for real existing courses, such as ENG 230 "Introduction to Literature", or for general 1XX-level credit. As a result of these changes ENG 161 is no longer necessary. We want to remove it to abide by SACS guidelines and to avoid confusion in our course catalog.

Will dropping this course change the requirements for any program?: No

If Yes, list the program(s) here:

Has the course been taken by a significant number of students in other colleges/depts?: No

If YES, list the colleges/departments:

If YES, what provision has been made for meeting the needs of these students?:

Is this course currently included in the University Studies Program?: No

- ¹ The effective data for a dropped course is *the first term when the course is not available*, NOT the last term the course is offered.
- ² Effective dates are typically the semester following approval. No course will be made effective until all approvals are received.
- ³ Signature of the chair of the cross-listing department is required on the Signature Routing Log.
- ⁴ In order to change a program, a program change form must also be submitted.
