Cross Listing:

Cross-listed course prefix and number: none

Should the cross-listed course(s) also be dropped?: No

Explain, if necessary:

Why is this course being dropped?: ENG 201 "Etymology" is a ghost course that has not been offered for many years. We no longer offer it in the ENG department and no current faculty have ever taught it. No faculty plan to teach it in the future. Other courses in Linguistics (LIN) already cover the subject. ENG 201 is no longer cross-listed with Journalism, despite what the course description says. It has no place in our current curriculum or our current major. Therefore we want to remove it from the course catalog to avoid confusion.

Will dropping this course change the requirements for any program?:   No

If Yes, list the program(s) here:

Has the course been taken by a significant number of students in other colleges/depts?:   No

If YES, list the colleges/departments:

If YES, what provision has been made for meeting the needs of these students?:

Is this course currently included in the University Studies Program?: No
