Cross Listing:

Cross-listed course prefix and number: Same as LIN 212

Should the cross-listed course(s) also be dropped?: No

Explain, if necessary: This course is being removed from cross-listing in the ENG curriculum only. It will still be available under its LIN number to students who wish to take it in LIN.

Why is this course being dropped?: As with ENG 211, ENG 212/LIN 212 has effectively been replaced by another course, LIN 222. So it no longer serves a purpose in the ENG curriculum. (Students who take the new ENG/LIN 221 will go on to take LIN 222). So we want it to be removed from the ENG curriculum to avoid confusion. We've gone back and forth on this now a few times and the clearest way to say it is: Drop ENG cross listing with Lin 211 and 212. Cross-list LIN 221 with ENG instead.

Will dropping this course change the requirements for any program?: No

If Yes, list the program(s) here:

Has the course been taken by a significant number of students in other colleges/depts?: No

If YES, list the colleges/departments:

If YES, what provision has been made for meeting the needs of these students?:
