Cross Listing:

Cross-listed course prefix and number: none

Should the cross-listed course(s) also be dropped?: No

Explain, if necessary:

Why is this course being dropped?: ENG 231 has been replaced by the new ENG 337 "Literature and Genre (Subtitle Required)". Our new major requirements also limit pre-major credits to ENG 230 "Introduction to Literature", so the ENG Department will not be offering ENG 231 any more in the future. Therefore we wish to remove ENG 231 from the course catalog to avoid any confusion.

Will dropping this course change the requirements for any program?: No

If Yes, list the program(s) here:

Has the course been taken by a significant number of students in other colleges/depts?: Yes

If YES, list the colleges/departments: ENG

If YES, what provision has been made for meeting the needs of these students?: The new ENG 337 replaces it topically; other students will take ENG 230 "Introduction to Literature" for pre-major requirement credits and for UK Core credits.

Is this course currently included in the University Studies Program?: No
