Cross-listing

Cross-listed course prefix and number none

Should the cross-listed course(s) also be dropped²? Yes No

Explain, if necessary:

Why is this course being dropped?³

Under the new ENG curriculum the contents and staffing of this course will be consolidated with the revised ENG 230 "Introduction to Literature", along with other 200-level ENG courses. This consolidation will simplify staffing and reduce confusion about course offerings for undergraduates.

Will dropping this course change the requirements⁴ for any program?* Yes No

English

If YES⁴, list the program(s) here:

Has the course been taken by a significant number of students in other colleges/depts?⁴ Yes No

If YES, list the colleges/departments:

If YES, what provision has been made for meeting the needs of these students?

Is this course currently included in the University Studies Program?⁴ Yes No

¹ The effective data for a dropped course is the first term when the course is not available, NOT the last term the course is offered.

² Effective dates are typically the semester following approval. No course will be made effective until all approvals are received.

³ Signature of the chair of the cross-listing department is required on the Signature Routing Log.

⁴ In order to change a program, a program change form must also be submitted.
