Cross-listing

Cross-listed course prefix and number none

Should the cross-listed course(s) also be dropped³? Yes No

Explain, if necessary:

Why is this course being dropped?²

Currently ENG 270 and ENG 271 form a two-semester "Old Testament" and "New Testament" sequence. We are unable to effectively staff a two semester sequence for this. So this course and its companion course, ENG 271, will be consolidated into a single course on "The Bible as Literature". This will better enable staffing. So ENG 270 will be dropped, and ENG 271 will have a Major Course Change to enact the consolidation of the courses.

Will dropping this course change the requirements⁴ for any program?* Yes No

English

If YES⁴, list the program(s) here:

Has the course been taken by a significant number of students in other colleges/depts?² Yes No

If YES, list the colleges/departments:

If YES, what provision has been made for meeting the needs of these students?

Is this course currently included in the University Studies Program?² Yes No

¹ The effective date for a dropped course is the first term when the course is not available. NOT the last term the course is offered.

² Effective dates are typically the semester following approval. No course will be made effective until all approvals are received.

³ Signature of the chair of the cross-listing department is required on the Signature Routing Log.

⁴ In order to change a program, a program change form must also be submitted.
