**Cross Listing:**

Cross-listed course prefix and number: Same as JPN 283

Should the cross-listed course(s) also be dropped?: No

Explain, if necessary: We only wish to remove the class from the ENG roster. The course is owned by JPN over in the MCL Department. De-listing it from ENG will have no effect on it in JPN.

Why is this course being dropped?: We wish to remove the cross-listing on this course as an ENG course. This is to clarify the ENG film offerings in our departmental course roster. Under our newly revised ENG major, students cannot count this course as an ENG course towards their requirements. But students can take the class as JPN 283 and still receive credit towards "classes required for the major outside of the ENG department". Since the course does not deal with English film or literature, this appears to be a better solution. Therefore we want to remove the cross-listing to avoid confusion.

Will dropping this course change the requirements for any program?: No

If Yes, list the program(s) here:

Has the course been taken by a significant number of students in other colleges/depts?: No

If YES, list the colleges/departments:

If YES, what provision has been made for meeting the needs of these students?:

Is this course currently included in the University Studies Program?: No
