Cross Listing:

Cross-listed course prefix and number: none

Should the cross-listed course(s) also be dropped?: No

Explain, if necessary:

Why is this course being dropped?: This course is redundant in our curriculum: it has been replaced by the new course ENG 490G "Studies in Literature and Gender". ENG 488G has not been offered with regularity and no current ENG faculty plan to teach it in the future. Also the creation of the GWS Department has also rendered this course redundant in our curriculum. Therefore to avoid confusion and needless overlap, we wish to remove ENG 488G from the course catalog.

Will dropping this course change the requirements for any program?: No

If Yes, list the program(s) here:

Has the course been taken by a significant number of students in other colleges/depts?: No

If YES, list the colleges/departments:

If YES, what provision has been made for meeting the needs of these students?:

Is this course currently included in the University Studies Program?: No

- ¹ The effective data for a dropped course is *the first term when the course is not available*, NOT the last term the course is offered.
- ² Effective dates are typically the semester following approval. No course will be made effective until all approvals are received.
- ³ Signature of the chair of the cross-listing department is required on the Signature Routing Log.
- ⁴ In order to change a program, a program change form must also be submitted.
