Should the cross-listed course(s) also be dropped?: No

Explain, if necessary:

Why is this course being dropped?: This course is primarily a technical Linguistics course that does not focus on either the English language or English literature. It has had a home in ENG because the faculty who teach it are linguists in ENG. With the success of the new LIN major, it is no longer necessary to list this course with ENG, where it really does not belong. This change has the approval of the English department and the Linguistics faculty in ENG.

Will dropping this course change the requirements for any program?: Yes

Has the course been taken by a significant number of students in other colleges/depts?: No

Is this course currently included in the University Studies Program?: No
