Rationale for Proposal: The department feel it is important that all minors take ECO401. Additionally, ECO401 is a prerequisite for ECO402, but many students are trying to take ECO402 without having had ECO401. Students feel that the requirements, as they are currently stated, indicate that you can earn a minor with just ECO402 so you should not have to take ECO401. ECO402 can still be taken as one the three elective courses.
