

University Faculty Trustee Election

Final Round Voting. In this final round of voting, you will select your first choice candidate. You will then have the option (not mandatory) to make a second choice selection.

Select your first choice candidate by placing a numerical 1 in the box provided to the left of the candidate.

Optionally, select your second choice candidate by placing a numerical 2 in the box provided to the left of the candidate.

The second choice votes will be used in the following way. All of the first choice ballots will be counted, and any candidate who receives a majority of votes will be elected. If no one receives a majority, a determination shall be made between the two (2) candidates with the largest number of first choice votes in the following manner: The second choice votes on the ballots whose first choice candidate or candidates have been eliminated will be added to the first choice votes received by the top two (2) candidates, and the person with the larger number of total votes will be elected. (In the event of a tie at that stage, the candidate with the larger number of first choice votes will be elected. And in the event of a tie in the first and second choice votes, the tie will be resolved by a random draw after notifying the top two candidates.)

If you experience any difficulty please contact [Sheila Brothers](#), Office of the Senate Council, 257-5872. If you cannot reach Sheila, please contact [Davy Jones](#), Chair, Senate Rules and Elections Committee.
