Announcing the start of the ***Final Round*** of Voting for Faculty Trustee

Members of the University Faculty:

This email notification is being sent to all members of the University Faculty eligible to vote in Faculty Trustee elections. The purpose of this notice is to announce the ***final round*** of voting in the election of a new **Faculty Trustee**. Our University is at a critical crossroad. New budgetary and programmatic policies are being formulated that will affect the careers and programs of every University Faculty member. A large turn-out by the University Faculty in this election will empower our elected representatives to the Board with a strong mandate to participate vigorously in the formation of these policies. The following persons are the three candidates in the final round (listed alphabetically).

Lee Blonder (Medicine)
Terry Conners (Agriculture)
Patrick McGrath (Medicine)

In this final round process you are to select at the election site your first choice candidate. You may opt to also select a second choice candidate. If no one receives a majority of first choice votes, then the second choice votes will be used in determining the winner per Senate Rule 1.5.2.C.

The electronic process for voting in the ***final round*** is now open (Tuesday, April 19, 2016) at the site provided below and will remain open through noon, Tuesday, April 26, 2016.

For the election site either click directly **HERE** or go to the University Senate web site that has a page containing election information and links (<http://www.uky.edu/Faculty/Senate/>)

Thank you very much for your participation in this election.
