**Subject:** Nominees for Faculty Trustee

### University Faculty:

This email notification is being sent to all full-time faculty employees of the University Faculty. State law establishes the positions of two Faculty Trustees on the University of Kentucky Board of Trustees. The purpose of this notice is to announce the initial round of voting in the election of a new **Faculty Trustee**. Under University Senate Rules, if there are more than three candidates, there will be an initial voting round, from which the top three vote getters advance to the final round (unless a candidate receives more than 50% of the vote on the initial round).

The outcome of the recent nomination process resulted in the certification of four candidates. The four candidates to appear on the ballot for the initial round of voting are (alphabetically, with college affiliation):

**Lee Blonder (Medicine)**  
**Terrance Conners (Agriculture)**  
**Glen Mays (Public Health)**  
**Patrick McGrath (Medicine)**

Therefore, it is planned that on Monday April 4, 2016 the election process will commence with the initial round of voting. A formal announcement of the opening of the voting process will be sent at that time to eligible voters.
