Subject: 1st Round Voting Results for Faculty Trustee Election
Date: Wednesday, April 12, 2017 1:18:38 PM

All Members of the University Faculty:

The initial round of voting in the Faculty Trustee election is finished. The number of votes received by each candidate is shown below.

187 Robert B. Grossman (Arts and Sciences)
140 Patrick C. McGrath (Medicine)
124 Margaret Mohr-Schroeder (Education)
76 Sidney W. Whiteheart (Medicine)
56 Christopher W. Frost (Law)

No candidate received more than 50% of the vote. Under the University Senate Rules, the candidates with the three highest vote totals (Robert B. Grossman, Patrick C. McGrath, and Margaret Mohr-Schroeder) will advance to the final voting round.

The final round of voting is scheduled to begin one week from today, at noon on Wednesday, April 19, 2017. A formal announcement of the opening of the voting process will be sent to eligible voters at that time. Voting in this final round will remain open through noon, Wednesday, April 26, 2017.

Prior to the start of this final round of voting, we will invite all three final round candidates to use an SREC approved UK Trustee Election listserv to share their election statements with all members of the University Faculty. Links to candidates' departmental pages are currently available in the email announcement for the initial round archived at:

After the election statements are emailed, they will also be posted at the link above.
