University Faculty:

Electronic **voting in the Faculty Trustee election will begin today at noon**. We will send another email at that time with more details.

Informed voting is important. Please read each candidate's election statement at the Senate Council faculty trustee election [website](#). Additionally, we have also arranged for each candidate to communicate **directly with you** via email. Look for one email from each candidate **today** between 9am and 2pm.

The three candidates in this election are (listed alphabetically):

Lee X. Blonder (Medicine)

Chris Frost (Law)

Buck Ryan (Communication & Information)

Be aware that use of one's own UK or other email address to express individual opinions about the qualifications of candidates is considered part of the academic freedom of our University community. However, you should refrain from using existing University listservs, unit distribution lists, and similar University resources to advocate for or against any candidate(s). For details about this [policy](#) or if you have questions, please visit the Senate Council faculty trustee election [website](#) or email us.

A **large turn-out** by the University Faculty in this election will **empower our elected representatives** to the Board with a strong mandate.

Stay tuned! Voting starts today at noon.

Davy Jones, Chair, Senate Rules and Elections Committee

Roger Brown, Chair, SREC Elections Subcommittee
