

PROVISIONAL BALLOT INSTRUCTIONS 2020 FACULTY TRUSTEE ELECTION

If a faculty member (Petitioner) believes that an error has been made in determining his/her eligibility to vote in a Faculty Trustee election, the Petitioner shall follow the following steps:

STEP 1: If voting is not currently underway, go to STEP 2. If voting is currently underway, the Petitioner shall before the voting ends complete and submit a Provisional Ballot located at the Senate Council's Election Information webpage or the Senate Council Office.

STEP 2: The Petitioner shall email the SREC Elections Subcommittee chair (Roger Brown, rogerbrown@uky.edu) and the University Senate office (Sheila Brothers, sbrothers@uky.edu) as soon as practicable to notify them that a suspected error in election eligibility has occurred. The SREC Elections Subcommittee chair or his/her designee shall respond to the Petitioner via email as soon as practicable with the specific reason(s) the Petitioner is not eligible or with a statement that an SREC error was made and corrected. If an SREC error was made and corrected, go to STEP 5; otherwise, go to STEP 3.

STEP 3: If the Petitioner believes that the cause of the Petitioner's ineligibility results from incorrect information on which the SREC relies (e.g., erroneous data about the Petitioner's DOE in the Faculty Database), the Petitioner shall provide incontrovertible evidence of the error (e.g., an email statement from the Petitioner's Dean) via email to the SREC Elections Subcommittee chair (Roger Brown, rogerbrown@uky.edu) and the University Senate office (Sheila Brothers, sbrothers@uky.edu) before the nominating period ends (if the ineligibility affects a nomination) or otherwise before the voting period ends.

STEP 4: The SREC Elections Subcommittee shall review the Petitioner's submitted evidence and reassess the Petitioner's eligibility as soon as practicable. If the SREC Elections Subcommittee determines that the Petitioner's evidence is not incontrovertible, the Petitioner may return to STEP 3. If the voting period begins and the SREC Elections Subcommittee has not yet made a determination, the Petitioner shall submit a Provisional Ballot (see STEP 1) before voting ends.

STEP 5: If the SREC Elections Subcommittee determines that the Petitioner is eligible, the SREC Elections Subcommittee chair shall recognize revised information (if the ineligibility affects a nomination) and arrange for the online voting system to be updated accordingly if practicable or, if not, direct the Petitioner to submit a Provisional Ballot (see STEP 1) before voting ends.

STEP 6: When voting ends, the SREC Elections Subcommittee shall review all Provisional Ballots and evidence received before voting ended and, if appropriate, add those results to the vote totals from the online voting system before determining the final results of the election.

You may only submit a provisional ballot if the relevant voting period is underway. If voting is not underway, email Roger Brown (rogerbrown@uky.edu) and Sheila Brothers (sbrothers@uky.edu) immediately.
