Subject: Faculty Trustee Election

Members of the University Faculty:

The term of current Faculty Trustee Dr. Robert Grossman is ending on June 30, 2020. Under state law ([KRS 164.131](#)), an election must be held to determine a member of the University Faculty body who will fill the seat for the new term that begins July 1, 2020. The UK Board of Trustees has delegated to the University Senate the authority to conduct the election ([GR II.A.2.B.1](#)), and the University Senate has in turn delegated the certification of candidate and voter eligibility in the election to the Senate's Rules and Elections Committee ([SR 1.4.2.1](#)).

This email is to announce that **eligibility lists are now available** showing those who are certified to nominate, run, and vote in the upcoming Faculty Trustee election. You have been identified as one who is eligible to nominate candidates in this election. You may also be eligible to run and vote.

The **nomination period** will begin on Wednesday, February 26, 2020 with another email to you from me that includes the nomination form and instructions. The nomination period will end on Thursday, March 5 at noon.

To **confirm your eligibility to nominate, run, or vote in this election**, you may visit the University Senate [website](#) and access the Trustee Election [webpage](#) or you can use the links below to view a list directly:
