Subject: Preliminary Voting Results

University Faculty,

Voting in the **preliminary ballot** round of the faculty trustee election **ended today** at noon. The SREC Elections Subcommittee certified the results as follows in alphabetical order by candidate last name:

Candidate	Votes	Percentage
Hubie Ballard	347	40
Richard Charnigo	40	5
Aaron Cramer	323	37
Candice Hargons	135	15
Jason Keinsley	27	3
TOTAL	872	100

The [Senate Rule 1.5.2.2](#) says that "if one nominee receives a majority of the votes, that person shall be declared elected. Otherwise, the three nominees receiving the highest number of vote (including ties) shall be placed upon the final ballot."

No candidate received a majority of the votes. The three nominees receiving the highest number of votes and thus the three candidates that will appear on the final voting round ballot are in alphabetical order:

Hubie Ballard
Aaron Cramer
Candice Hargons

On behalf of all UK faculty, I thank all the candidates for their willingness to serve in this important role.

Online voting in the **final round** is scheduled to start next week on Wednesday, April 20 at 8AM (ET) and end on Wednesday, April 27, at noon (ET).

Thank you.

Roger
