PLEASE NOTE: To ensure that a series of changes to an existing degree program does not essentially create a new program, the Southern Association for the Accreditation of Colleges and Schools (SACS) requires submission of its Substantive Change Checklist for every program change. Prior to college-level review, you must fill out and submit the SACS Substantive Change Checklist to the Office of Institutional Effectiveness. Contact Institutional Effectiveness (OSPIE@uky.edu) for assistance.

Once approved at the college level, your college will send the proposal to the appropriate Senate academic council (HCCC and/or UC) for review and approval. Once approved at the academic council level, the academic council will send your proposal to the Senate Council office for additional review and then a 10-day posting online, during which senators review on their own and have an option to register an objection if they so desire. If no objection is raised to the Senate Council Office within ten days of the posting the proposal, then the program change is approved. The Senate Council Office will report approvals to the Provost, Registrar and other appropriate entities, including the contact person.

For every proposed change, you MUST also include the existing requirement.

² It is not possible to change the home academic unit of a degree program via this form. To change the home unit, visit https://www.uky.edu/universitysenate/forms and look for the heading, "Forms Related to Academic Organizational Structure."

³ The CIP code is provided by Institutional Effectiveness. If a different CIP code is necessary, the program may undergo a review similar to the new program approval process.

⁴ No program change(s) will be effective until all approvals are received.

Incoming students are strongly encouraged to take WRD 112 to fulfill the CC1 and CC2 requirements if they have any of the following: an

ACT English score of 32 or Higher, an SAT Verbal score of 720 or Higher, or an AP English Composition score of 4 or 5. If the Student has been accepted into the University Honors Program, the Student is required to take WRD 112 to fulfill CC1 and CC2.

To be discussed with your academic advisor.

Students who have taken at least 2 years of a language in high school can complete the A&S Foreign Language Requirement with 3 college semesters of a different language. Students choosing this option should replace the 4th semester of language with electives. Also note that if you take a foreign language placement exam, you may be exempt from 1 or more of the beginning semesters of that language. In this case, replace the by-passed language courses with electives. Any language sequence may be used to satisfy the foreign language requirements - French, German, Greek, or Latin is recommended.

6 hours of 'free' electives - that do not count toward any other requirement - must be taken. Additional electives may be required to reach the required minimum of 120 hours.

Major Elective credit at the 200 level is restricted to: two additional ENG Historical Surveys that are not counted toward the Historical Survey requirement; plus two of the following: ENG 207, ENG/LIN 221, ENG 260, ENG 280, and ENG 290. Otherwise electives must be at the 300-500 level.

If the Student has been accepted into the University Honors Program, the Student is required to take WRD 112 to fulfill CC1 and CC2.

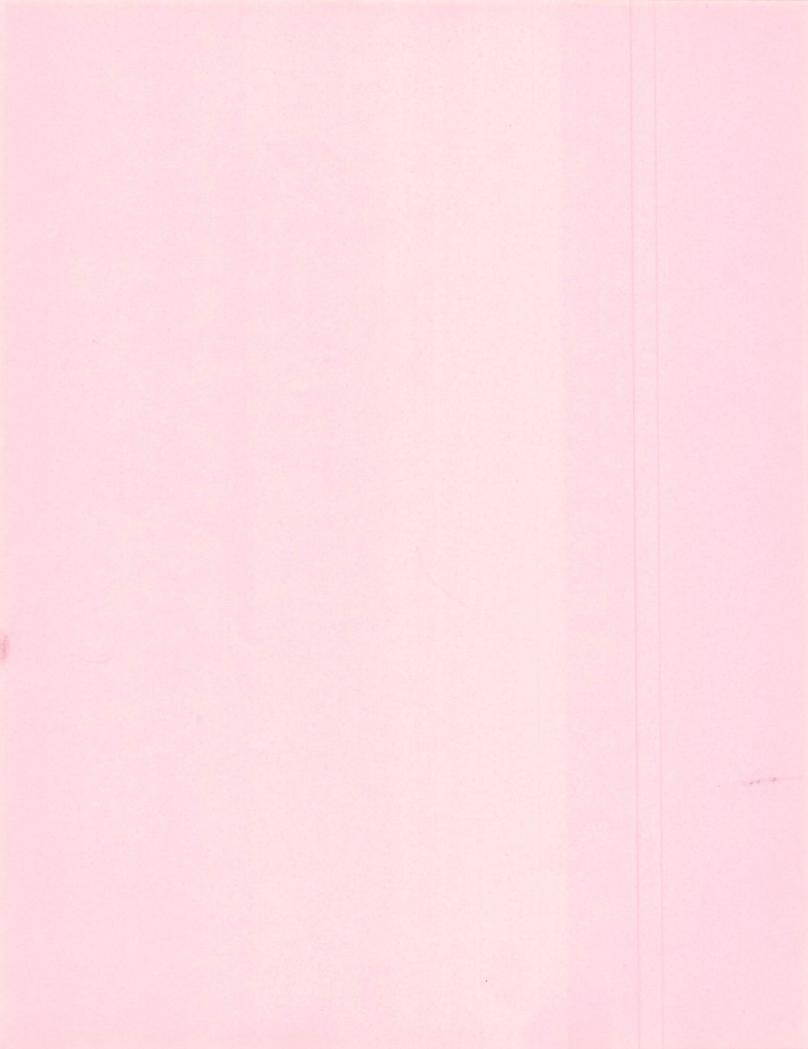

Total Credits: 18

- To be discussed with your academic advisor.
- Students who have taken at least 2 years of a language in high school can complete the A&S Foreign Language Requirement with 3 college semesters of a different language. Students choosing this option should replace the 4th semester of language with electives. Also note that if you take a foreign language placement exam, you may be exempt from 1 or more of the beginning semesters of that language. In this case, replace the by-passed language courses with electives. Any language sequence may be used to satisfy the foreign language requirements - French, German, Greek, or Latin is recommended.
 - 6 hours of 'free' electives that do not count toward any other requirement must be taken. Additional electives may be required to reach the required minimum of 120 hours.
- Major Elective credit at the 200 level is restricted to: two additional ENG Historical Surveys that are not counted toward the Historical Survey requirement; plus two of the following: ENG 207, ENG/LIN 221, ENG 260, ENG 280, and ENG 290. Otherwise electives must be at the 300-500 level.

RE: ENG- Substantive Change Checklist

Camille,

Thank you for your emails regarding the proposed program change(s) to the **Bachelor of Arts/Science in English** (23.0101).

My email will serve 2 purposes: 1.) Next steps for SACSCOC, and 2.) Verification and notification that you have contacted the Office of Strategic Planning and Institutional Effectiveness (OSPIE)—a Senate requirement for proposal approval.

- 1. Next steps for SACSCOC: None required
- 2. Verification that OSPIE has reviewed the proposal: Based on the proposal documentation presented and Substantive Change Checklist, the proposed program changes (refer to list below) are not substantive changes as defined by University or SACSCOC, the university's regional accreditor. Therefore, no additional information is required by the Office of Strategic Planning & Institutional Effectiveness at this time. The proposed program change(s) may move forward in accordance with college and university-level approval processes.

List of Proposed Change(s):

- 1. Drop Eng 107, Eng/Lin 209 from pre-major requirement
- 2. Add Eng 260, Eng 290 to pre-major requirement
- 3. Eng 230 remains a pre-major requirement

Should you have questions or concerns about UK's substantive change policy and its procedures, please do not hesitate contacting me.

Subject: ENG- Substantive Change Checklist

Good Morning,

The English Department has put through an undergraduate program change for their BA and BS. The only change being made is to their pre-major requirements. They are switching out to courses that are option to complete the requirement. There is no change in total credit hours to the pre-major requirement, or to the degree.

Please let me know once you approve.

Thank you,

Camille Harmon

University of Kentucky Substantive Change Checklist¹

Substantive change, according to the Commission on Colleges of the Southern Association of Colleges and Schools (SACSCOC or SACS), is "a significant modification or expansion of the nature and scope of an accredited institution." Substantive change is a federal concept, based in the regulations of the U.S. Department of Education, which regional accreditors are required to enforce.

The University is required to submit any substantive change to SACS for review, and in some cases approval, prior to implementation of such substantive change. As noted by SACS:

"if an institution fails to follow the substantive change policy and procedures of the Commission on Colleges, it may lose its Title IV funding or be required by the U.S. Department of Education to reimburse it for money received by the institution for programs related to the unreported substantive change. In addition, the institution's case may be referred to the Commission for the imposition of a sanction or for removal from membership."⁴

Checklist Instructions: To ensure substantive change compliance, individuals should complete the checklist on the following pages in the early stages of any proposal (e.g. new degree program, new certificate program, etc.) or curricular revision. Upon completion, the form must be submitted to the assistant provost for Strategic Planning and Institutional Effectiveness or designee by e-mail to OSPIE@uky.edu. A determination as to whether the proposed program or changes to the existing program constitutes a substantive change will be made within seven (7) business days of receipt and next steps will be communicated accordingly.

Questions concerning substantive change should be sent to <a>OSPIE@uky.edu.

Re: Proposed Curricular Changes

Date: April 27, 2017

This memo affirms the Department of English faculty's support, and my own support as Chair, for the following three curricular changes, as described in the attached proposals:

Changes to pre-major requirement. The proposal to eliminate ENG 107 and ENG 209 as prew major options was discussed and voted on at our Department's March 1, 2017 meeting. The proposal passed with 15 votes in favor, 4 opposed, and 1 abstention. The proposal to add ENG 260 and ENG 290 as prew major options was discussed and voted on at our Department's March 29, 2017 meeting. The proposal passed with 15 votes in favor, 3 opposed, and 4 abstention.
