Why is this course being dropped?: Six years ago, the undergraduate forestry program, leading to a Bachelor of Science in Forestry, made extensive revisions to the undergraduate forestry degree program. One of these major revisions was to change the summer field camp to the spring field semester. The summer field camp consisted of five courses: FOR 375, FOR 376, FOR 377, FOR 378, and FOR 379. These five courses have not been offered since the spring field semester began in spring 2012 and there are no plans to offer them in the future. The courses offered during the spring field semester have replaced the five summer field semester courses.

Will dropping this course change the requirements for any program?: No**If Yes, list the program(s) here:****Has the course been taken by a significant number of students in other colleges/depts?:** No**If YES, list the colleges/departments:****If YES, what provision has been made for meeting the needs of these students?:**
