Cross Listing:

Cross-listed course prefix and number: none

Should the cross-listed course(s) also be dropped?: No

Explain, if necessary:

Why is this course being dropped?: Six years ago, the undergraduate forestry program, leading to a Bachelor of Science in Forestry, made extensive revisions to the undergraduate forestry degree program. One of these major revisions was to change the summer field camp to the spring field semester. The summer field camp consisted of five courses: FOR 375, FOR 376, FOR 377, FOR 378, and FOR 379. These five courses have not been offered since the spring field semester began in spring 2012 and there are no plans to offer them in the future. The courses offered during the spring field semester have replaced the five summer field semester courses.

Will dropping this course change the requirements for any program?: No

If Yes, list the program(s) here:

Has the course been taken by a significant number of students in other colleges/depts?: No

If YES, list the colleges/departments:

If YES, what provision has been made for meeting the needs of these students?:

Drop Course Report

Is this course currently included in the University Studies Program?: No

¹ The effective data for a dropped course is the first term when the course is not available, <u>NOT</u> the last term the course is offered.

Effective dates are typically the semester following approval. No course will be made effective until all approvals are received.
 Signature of the chair of the cross-listing department is required on the Signature Routing Log.

⁴ In order to change a program, a program change form must also be submitted.
