April 2017

Addendum for clarification to requested change in MSLS program

In the context of the program change form, '2nd tier' is synonymous with "Foundational Courses" (LIS 621, 630 and 672). If the change is approved, then the master's in library science will still consist of 36 credit hours, 12 hours of required courses, 3 hours of technology electives, and 21 hours of student selected electives.
