2. General Education Curriculum for this Program:

The new General Education curriculum is comprised of the equivalent of 30 credit hours of course work. There are, however, some courses that exceed 3 credits & this would result in more than 30 credits in some majors.

- There is no foreign language requirement for the new Gen Ed curriculum.
- There is no General Education Electives requirement.

Please list the courses/credit hours currently used to fulfill the University Studies/General Education curriculum:

Currently students are allowed to, in consultation with their professional advisor, self select courses to satisfy the University Studies (now General Education) requirements. The Linguistics Program has no preference as to what particular courses are used to satisfy the General Education curriculum.

Please identify below the suggested courses/credit hours to fulfill the General Education curriculum.

² Program changes are typically made effective for the semester following approval. No program will be made effective until all approvals are received.

Subject: Re: EPC: LIN BA change 2013April [updated as requested by EPC]

Hi Roxie,

Please see attached, 'LIN_BA_chg-April2013v2'.

1. fixed
2. completely redone q15 to account for UK Core and College Reqs.
3. now phrased as 'UK Core stats reasoning'
4. q 15 has a * at the first instance of Cognate course, and note given below

Best,
Andrew

Andrew,

The EPC is currently reviewing the LIN program change.

There is one item on the form that needs to be cleaned up a bit.

Q#15 - the 4 -year plan has a few inconsistencies.

1. The total hours do not add up to 120 hrs.
2. USP electives are listed (yr 2/ spring)
3. Is STA 200 the stats course the students take or is STA 210 preferred?
4. It would be helpful if you could add a footnote regarding what constitutes a cognate course.

If you could make these corrections, then EPC can move forward with this proposal.
Thanks
