

List of Individuals Eligible to Run in the 2023 Faculty Trustee Election

To run in a Faculty Trustee election, you must satisfy two requirements. One, you must be a regular, full-time faculty employee as defined by Human Resources Policy & Procedure Administrative Regulation #4 ([HRPP AR 4.0](#)). Two, you must also be a tenured or tenure-eligible member of a college faculty body ([GR VII.E.3.a](#)) with academic rank within that college at or above the level of assistant professor or its equivalent (e.g., Librarian III). Please note that according to [HRPP AR 4.0](#) faculty employees are ineligible to run in Faculty Trustee elections if they have either a 50% or more total administrative assignment or any appointment at or above the level of department chair, including appointment as director of a multidisciplinary research center or equivalent educational unit ([GR VII.F](#); [GR VII.B.1](#); [GR VII.C.1 and 5](#)).

Listed below are individuals who have been certified by the Senate Rules and Elections Committee (SREC) to **run** in the 2023 Faculty Trustee Election. The SREC determined eligibility based on information in the UK Effort Planning System (EPS) database on January 10, 2023. If you believe an error has occurred, please follow the "[Procedures for Disputing Election Processes or Eligibility](#)" posted on the Senate Council trustee election webpage.
