12.	List any other requirements not covered above?		
	n/a		
13.	Please explain the rationale for changes. If the rationale involves accreditation requirements, please include specific references to those requirements.		
	According to Accreditation Criteria - Public Health Programs (CEPH, as ammended June, 2011) academic degree programs must ensure that "students are familiar with and competent in public health areas outside the concentration ... [they] will require at least the equivalent of three semester-credit hours of instruction that introduces students to the breadth of public health..." (p.21). CPH 663 is a restructured replacement for CPH 701, and is a 3-credit introduction to the breadth of public health.
