

APR 25 2007

OFFICE OF THE
SENATE COUNCIL

APPLICATION TO DROP A COURSE

1. Submitted by College of Engineering Date 1/23/06

Department/Division offering course Chemical & Materials Engineering

2. Prefix and Number MSE 462 Title Physical Metallurgy of Ferrous Mat. Credits 4

3. Effective Date Spring 2006 (semester & year)

4. Why is the course to be dropped?
This elective course had to be cancelled 3 years in a row for either low or no enrollment. Two courses dedicated to metallurgy are already required in the B.S. program; there is no need for a third one, offered as an elective.

5. Will dropping this course change the degree requirements in one or more programs?* Yes No
If yes, explain the change(s) below

6. Has the course been taken by a significant number of students in other departments/colleges? Yes No

a. If yes, list the college(s) or department(s) from which student enrollment in this course has come, if known.

b. What provision has been made for meeting the needs of these students?

7. Is this course in current use in any of the Community Colleges? Yes No
If so, please submit evidence (e.g., correspondence) that the Community College System has been consulted.

8. Is this course currently included in the University Studies Program? Yes No

9. Within the Department, who should be contacted for further information about this proposal?
Prof. Lynn Penn, Dir. of Undergraduate Studies 257-7897
Name Phone Extension

*NOTE: Approval to drop the course will constitute approval of the program change unless additional modifications are proposed.
