MEMORANDUM

TO: Members University Senate

FROM: University Senate Council

RE: AGENDA ITEM: University Senate Meeting, Monday, April 13, 1998.
Proposal to rescind action of the Senate taken February 10, 1997, to
establish a plus/minus grading system for The Graduate School

Proposal:

Motion to rescind the motion passed by the Senate on February 10, 1997 to establish a plus/minus grading system for The Graduate School.

Rationale:

After Senate passage of a plus minus system of grading for the Graduate School including an A+, the Senate than later agreed to delay implementation of the system until Fall of 1998 at the request of the Graduate School. In light of developments since that time the Graduate Council and the Graduate Faculty have requested that the original motion be rescinded and the Graduate School be allowed to retain the current whole grade system. The Senate Council unanimously supports the motion to rescind.

Implementation: Immediate

US Agenda Item: Grad School +/- rescind 4.13.98
