

University Senate
October 9, 2006

On Monday, September 18, 2006, the Senate Council moved that the Senate Council receive the GERA Final Report and forward it to it to the University Senate for review and consideration.

(The motion **passed** unanimously and goes to the Senate with a positive recommendation.)

In addition, the Senate Council moved that the Senate Council, with attention to general comments offered in the forthcoming University Senate's review of GERA's Final Report, work with the Provost to take the general education initiative to the next level of examination and articulation.

(The motion **carried** unanimously and goes to the Senate with a positive recommendation.)
