Subject: SAASC, item 5: Community Communication and Leadership Development

Sheila,

After deliberation, the SAASC has voted in favor of the two proposals concerning Community Communication and Leadership Development: admission requirements and minor requirements.

Raphael

--- notes

First, there have been some already approved curricular changes to CLD courses

Renumberings:

320 -> 225
302 -> 230
405 -> 305

The following still exist, even though they are no longer to be required for all majors:

102, 250, 340, 420

The following still exist and are still required:

362, 490

The following are new:

100 (1 hour), 260, 300, 370, 497 (practicum)

The proposal for the undergraduate program is

Change the name of major from Community Communications and Leadership Development to simply Community and Leadership Development

Change the course structure to introduce a pre-major status, in which students must earn at least a C in
100, 225, 230, 260

The further requirements on majors are
300, 305, 362, 370, 490, 497

Drops requirements for 102, 250, 340, 420, but adds 497.

The effect is that instead of official "options" with different requirements, students can study what interests them best.

We see no difficulty with this proposal. It looks like the department is taking its restructuring seriously.

2. General Education Curriculum for this Program:

The new General Education curriculum is comprised of the equivalent of 30 credit hours of course work. There are, however, some courses that exceed 3 credits & this would result in more than 30 credits in some majors.

- There is no foreign language requirement for the new Gen Ed curriculum.
- There is no General Education Electives requirement.

Please list the courses/credit hours currently used to fulfill the University Studies/General Education curriculum:
USP: I. MA109 or MA111, II. University requirement, III. PHI120, STA200, IV. ENG104, VI. any 6 hours natural science, VII. CLD 102 or AEC101, VIII. any 6 hours humanities, IX. any 3 hours cross-cultural, X. any 3 hours outside major

Please identify below the suggested courses/credit hours to fulfill the General Education curriculum.

¹ Prior to filling out this form, you MUST contact the Associate Provost for Academic Administration (APAA). If you do not know the CIP code, the (APAA) can provide you with that during the contact.

² Program changes are typically made effective for the semester following approval. No program will be made effective until all approvals are received.

14. Rationale for Change(s) – if rationale involves accreditation requirements, please include specific references to that.

Pre-major requirements have been added so that students have knowledge of the components of Community and Leadership Development before becoming majors. A minimum grade of C is required for the 10 hours of pre-major classes so that students show some proficiency in the major's emphasis areas. The pre-major courses are also intended for enrollment management for the upper level CLD courses. The proposed curriculum also allows more flexibility for students to study the various emphasis areas as best fits their academic interests; the two separate current options (agricultural communications and public service and leadership) will no longer exist. The flexibility will also help the department manage faculty teaching resources since more courses taught by more different faculty will be available for students outside the core course requirements.
