Hi Lee,

I would like to move my CHE 232-001 final exam this fall from the scheduled time of Tue Dec 17, 3:30–5:30 pm, to 10:30 am – 12:30 pm on the same day.

The reason is that the Nursing computer lab, which is the only one large enough to accommodate as many students as I may need to accommodate, is not available at the regularly scheduled time, but it is available at the other time.

Of course, I will make provisions for students who cannot attend the exam at the alternate time.

I understand that this change needs to be approved by Senate Council, so I am sending it to you.

Thanks,

Bob
