Subject: RE: Changes to the 2014-2015 Academic Calendar

Hi Sheila,

Thank you. To answer your questions: yes, you can refer to this as a clerical adjustment to the dates during which students **cannot** change majors. This will be only for the 14-15 calendar.

Thank you!

David

Subject: Changes to the 2014-2015 Academic Calendar

Hi Suanne,

Per your request, we would like to take out the following entry in the 2014-2015 calendar:

October 21- Tuesday through Monday - Approved time period for
Nov. 3 students to change academic majors (note: please
check with college for admission deadline)

And replace it with:

Oct. 6- Monday through Wednesday - Students are prohibited f
November 26 changing academic majors

These changes are located on page 3 of the attached calendar. For past academic years, it appears that the window that students are prohibited from changing academic majors was from a Monday through a Wednesday. Please review, and let me know if you have any questions.

Thank you,

David
