1.4.2.3 Senate Academic Facilities Committee (SAFC)

The SAFC is charged with the responsibility of providing information and recommendations to the Senate about the alteration, construction, and allocation of all property and physical facilities that may affect the educational objectives of the University. In this regard, it shall be concerned about such matters as classrooms, buildings and grounds, shops and other such real property, audio-visual and television equipment, computers, duplication and printing facilities, vehicle pools, and scientific and musical instruments. The SAFC shall act in these ways:

- A. Serve the administration as a source of faculty information and opinion about the need, design, and priority and construction or renovation projects.
- B. Inform the Senate at least annually about problems relating to the alteration, construction, or allocation of academic facilities and about future plans and priorities for them. Whenever necessary, the SAFC may initiate action by preparing a recommendation to the administration, which should be routed through the Senate Council for Senate approval.
- C. Maintain communication with the appropriate administrators about the current status and utilization of academic facilities. [US: 10/12/81]
- D. Study the use, renovation, and need for space (including classrooms) and equipment relevant to academic programs and functions. [US: 3/12/84]

1.4.2.6 Senate Academic Programs (SAPC)

The SAPC is charged with recommending action to the Senate on all new academic programs approved by the Undergraduate Council, the Graduate Council, or the Academic Council for the Medical Center. Specifically, the SAPC shall review the academic excellence, the need, and the impact, desirability, and priority of the new academic program in relation to other programs. In approving a new program, the Committee shall recommend a priority to indicate its importance and the immediacy with which it should be implemented.

The Committee shall function mainly through three permanent subcommittees: Graduate Degree Programs, First Degree Programs (including undergraduate degree programs), and Professional and Pre-professional Degree programs. The appropriate subcommittee shall investigate the proposed new program and present its evaluation to the full committee, which shall decide on its recommendation to the Senate. In ascertaining the appropriate subcommittee, and in acting upon the recommendations of the SAPC, it is the policy of the University Senate to adopt and utilize the definitions of the Council on Postsecondary Education that distinguish these different types of degree programs.

1.4.3.1 Senate Admissions Advisory Committee (SAAC) (US: 11/12/90)

A. The SAAC is a standing committee of the University Senate. The voting members of the SAAC are the Assistant Provost for Enrollment Management, the Chair of the Senate committee on Admissions and Academic Standards, and three additional University Faculty members appointed by the Senate Council to staggered three-year terms. Ex officio, non-voting members of the Committee are the Associate Provost of Undergraduate Education and the Vice President for Institutional Research, Planning and Effectiveness (or that person's designee). The committee must be chaired by one of the three appointed University Faculty members. In the case of a tie vote, the vote of the chair shall prevail.

The SAAC is responsible for recommending admissions policy within general guidelines established by the University Senate. The SAAC is charged to:

1. Establish the University's admissions management system, as described in SR 4.2.1.1.B.
2. File a written report to the Provost recommending admissions objectives such as average ACT scores and desired size of each year's entering Freshman class. A copy of the report shall be presented to the Senate Council.
3. Establish automatic admission criteria.
4. Upon the recommendation of the Assistant Provost for Enrollment Management, approve any warranted deviations from the automatic admissions criteria.
5. After consultation with the Assistant Provost for Enrollment Management, the SAAC may recommend to the Provost closing admissions on any of the following bases: 1) the desired class size has been reached; 2) the class is large enough given existing constraints; and 3) admissions objectives other than class size have been achieved.
6. Establish parameters for the decisions on exceptions, under which applicants may be admitted who have not met the automatic admissions criteria.
7. Request that the Provost provide specific data on admissions, enrollment, and student performance .
8. Request data from the Assistant Provost for Enrollment Management for use in establishing or evaluating admissions policy.
9. Review and analyze the information provided in (7) and (8) above by the Provost and Assistant Provost for Enrollment Management and disseminate the results of its review and analysis to the educational units.

Per SR 1.4.1, committee members do not have to be members of the University Senate.

1.4.2.1 Senate Rules and Elections Committee (SREC)

The SREC is charged with codifying, making editorial changes in, and interpreting, the Rules of the Senate, at the direction or with the approval of either the Senate Council or the Senate. It shall be responsible for initiating any changes in the Rules concerning the organization of the Senate (Senate Rules Section I). It shall also evaluate and revise any section of the Rules where necessary to eliminate inconsistencies, clarify confusing statements, and note omissions, and may initiate and suggest to the Senate Council any necessary modification in the Rules.

The SREC shall certify faculty member eligibility in elections of Faculty Trustees, and in elections of University Faculty representatives to the Senate, to the Senate Council, and to a Presidential Search Committee . In addition, the SREC shall recommend to the University Senate election policies and procedures.
