

Senate Council
April 20, 2015

Senator Nominee for Student Survey Coordination Committee

Newly formed committee, which will meet 1 -2 times per year to begin with. Will address the following aspects:

- Review the number and schedule of the student surveys and other mandated content and the particulars regarding their scope, delivery method and content
- Review the response rates and overall success of these surveys or educational content
- Give recommendations on any new surveys or online content to be added
- Give recommendations on changes or enhancements to the current approach for the delivery of student surveys and online content

Request: need one faculty member to serve as a committee member.
