

Snippet from Senate Rules 4.2.2.4 ("School of Human Environmental Sciences")

4.2.2.4 School of Human Environmental Sciences

A. Human Nutrition and Dietetics Majors [US: 2/11/2013]

Admission to the University is sufficient for lower-division admission to the human nutrition & dietetics majors. However, lower-level admission to the majors or any admission to the University does not guarantee upper-division admission to either of the degree programs in the Department of Dietetics & Human Nutrition. In general, admission depends upon the qualifications and preparation of applicants, as well as the availability of resources for maintaining quality instruction.

Upper-division admission into the human nutrition or dietetics degree programs is necessary in order to be granted a baccalaureate degree from the Department of Dietetics & Human Nutrition. Students who have attained a 2.8 or higher grade-point average in the pre-major component required for all students in the Department of Dietetics & Human Nutrition will be assured admission.

To be considered for upper-division admission to either the human nutrition or dietetics undergraduate degree programs, an applicant must fulfill the following requirements:

- 1.** Enrollment in the University of Kentucky. (Students are considered for acceptance by the Department only after acceptance by the University of Kentucky.);
- 2.** Completion of the pre-major component (Pre-major courses include: CHE 105, CHE 107, CHE 111, CHE 113, BIO 152, DHN 212, and DHN 241) required for all students within the Department of Dietetics & Human Nutrition with a minimum pre-major coursework grade-point average of 2.8.*
- 3.** Submission of an application form to the Department of Dietetics & Human Nutrition Academic Coordinator.

NOTE: A student can repeat a pre-major course to meet this GPA requirement. If a student repeats the course as one of their three University-accepted repeat options only the repeat grade will be factored into the pre-major coursework GPA. If a student repeats the course outside of the University-accepted repeat options then the course grades will be averaged and then factored into the pre-major coursework GPA.

Applications from students outside the University of Kentucky seeking admission to the Human Nutrition or Dietetics degree programs, whether for upper-division or lower-division status, must be received by the University Admissions Office no later than April 15 (first summer session); May 15 (second summer session); August 1 (fall semester); and December 1 (spring semester).

Students enrolled in other UK programs on campus should apply for admission prior to the priority registration period. (The appropriate deadlines are listed in the University calendar for approved times to change major.)

Lower-division students enrolled in the Department of Dietetics & Human Nutrition should apply for upper-division admission to the Human Nutrition Program or Didactic Program in Dietetics

during the semester they are completing the pre-major course work. The application for upper-division admission should be made before the priority registration period for the upcoming semester.

Appeal Process

Students with a GPA below 2.8 and who have completed all pre-major requirements may appeal for admission into the human nutrition or dietetic programs. If the Appeals Committee feels that there is persuasive evidence that personal, academic or professional circumstances have affected a student's grades and the student shows promise for successful completion of a degree in the Department of Dietetics & Human Nutrition, acceptance may be granted. Materials and information necessary for the appeals process will be available in the School of Human Environmental Science Advising Resource Center. The deadline for submission of the appeals is generally 45 days prior to the beginning of the semester; however, appeals materials are not accepted for the first summer session.

B. Dietetics Program (HES Coordinated Undergraduate Program in Dietetics, Option B of the Professional Dietetics Program)

Admission to the University of Kentucky of transfer students or completion of the sophomore year by continuing students does not guarantee admission to the Coordinated Undergraduate Program. Admission to the program is dependent upon the availability of resources for implementation of quality instruction and the number of students admitted will be limited by these considerations. Students who have completed the required preprofessional courses will be admitted on the basis of their cumulative collegiate grade point average and other criteria indicating potential for becoming successful dietitians (e.g., physical acceptability, references and personal interview). To be admitted into the program, a student must have a GPA of 2.4 or above and a grade of C or better on all coursework designated as major requirements. [US: 12/13/99]

The deadline for application for admission in the fall semester is February 1st. [SC: 4/24/95]

C. Hospitality and Tourism Program [US: 12/14/98]

- 1. Admission Requirement.** The minimum grade point for entrance of all students into the Hospitality Management and Tourism Program is 2.30.
- 2. Progression Requirement.** Students must have completed the following pre-major courses with a "C" grade or better in order to progress to courses which are major requirements: CS 101, ACC 201, ACC 202, ECO 201, ECO 202, HMT 120, HMT 270, HMT 208, NFS 204, NFS 241.
- 3. Graduation Requirement.** Students must fulfill all prerequisites and achieve a "C" grade or better in all NFS and HMT courses which are major requirements.
