Senate Council Ad Hoc Committee on Senate Committee Structure

Snippet from August 27, 2007 minutes:

After additional discussion, Wood **moved**...that the Senate Council set up a new ad hoc committee on Senate committee structure to review the Senate's committee structure. Lesnaw **seconded**. A **vote** was taken and the motion **passed** unanimously.

Recommendation: that the Senate Council create a charge and timeline, determine the number of members, and identify possible faculty to serve on the Senate Council's ad hoc Committee on Senate Committee Structure.
