Planning for Senate Council Officer Elections

Need to establish:

1. Nominating period – when does it begin and end?
2. How will nominations be made – email or live meeting on December 3?
3. Will both self-nominations and nominations from others be allowed?
4. Will nominations be accepted during the December 3 meeting, immediately prior to the election?
5. Do nominations need to be seconded?
6. Will the process of choosing a vice chair and chair be conducted by election (secret ballot) or by parliamentary vote?
7. Other considerations?
