

RECEIVED

SUSPENSION/DELETION OF A PROGRAM

College Education Date 3/7/2007

Department (Unit) Curriculum & Instruction MAJOR CODE SESP

Name of Program Secondary Spanish Education CIP 16.0905

Nature of action (mark one) Suspension Deletion

Reason for suspension/deletion

The certification program for all grades foreign language teachers is now administered in the College of Arts and Sciences through the Master's of Arts in Teaching World Languages (MATWL). The content area of the Spanish Education major consisted almost entirely of Arts and Sciences coursework; the only Education class required was EDC 362, a course taken by all Secondary Education majors regardless of area. There has not been a faculty advisor for Foreign Language Education in the College of Education since Spring 2001; the SESP major has three current active students and has had only one program completer since Spring 2006.

What provisions are being made for students already in the program?

It has been recommended that the students transfer to the undergraduate Arts and Sciences Spanish major.

Will another degree program replace the one suspended or deleted? Yes No
If yes, please describe the new program.

Will courses connected with the program also be deleted? Yes No
If yes, forms for dropping a course or courses should be attached.

Date at which suspension/deletion will take effect. Immediately.
