Goals for Senate Council and University Senate

Below is a list of possible goals for the Senate Council and Senate. They are numbered not for ordering purposes, but rather for references purposes.

1. General education implementation.
2. Proactive review of budget cuts.
3. Engaging a greater number of faculty for involvement.
4. Taking ownership of the faculty's responsibilities to the University (needs to be more specific).
5. Charging committees with relevant goals and ensuring follow through.
6. Establishing a bidirectional chain of communication.
7. Clearly communicating the responsibilities of the Senate.
