RE: Clinical Leadership and Management program change request

Attached please find a program change request for the Clinical Leadership and Management program in the Department of Clinical Sciences, College of Health Sciences. The purpose of the request is to delete the present requirement that students have one year of post-associate degree work experience in a health care setting as a condition for admission. There are several reasons for this request which are highlighted in item #9 of the Request for Change form.

For additional information, please contact: Beth Schulman (3-1100, ext 80565) or Karen Skaff (3-1100, ext 80585).

9. Rationale for Change(s) – if rationale involves accreditation requirements, please include specific references to those.
Currently, criteria for program admission includes one year of post-associate degree work experience in a health care setting. Program faculty would like to eliminate that admission requirement because: (1) students in health-related associate degree programs have clinical experience/practicums within their core curriculum, and (2) this requirement creates an unnecessary barrier for students interested in the continuity of their higher education goals. Faculty believe they would better serve the needs of their potential applicants by giving students an opportunity to transfer directly and smoothly to UK's BHS Program in Clinical Leadership and Management upon graduation from a community/technical college. In addition, it is expected that this change will increase student enrollment.

Application Process and Requirements

The admissions process begins with an application to the University of Kentucky by December 1 for spring enrollment and August 1 for fall enrollment. Application must also be made directly to the CLM program. The CLM program uses rolling admissions once applicants are accepted by the University as a degree seeking student. Criteria for admission to the program includes an Associate Degree, with a minimum 2.0 GPA. Academic advising and information about admissions is available from:
