

CHANGE DOCTORAL DEGREE PROGRAM FORM

GENERAL INFORMATION

College: <u>Nursing</u>		Department: <u>NA</u>	
Current Major Name: <u>Nursing</u>		Proposed Major Name: <u>no change</u>	
Current Degree Title: <u>Doctor of Philosophy in Nursing</u>		Proposed Degree Title: <u>no change</u>	
Current Formal Option(s): <u>BSN entry option</u>		Proposed Formal Option(s): <u>BSN entry option</u>	
Current Specialty Fields w/in Formal Option: _____		Proposed Specialty Fields w/in Formal Option: _____	
Date of Contact with Associate Provost for Academic Administration ¹ : <u>5/24/2012</u>			
Bulletin (yr & pgs):	<u>2012/p. 220-223</u>	CIP Code ¹ :	<u>51.1608</u>
		Today's Date:	<u>7/2/2012</u>
Accrediting agency (if applicable): <u>NA</u>			
Requested Effective Date: <input checked="" type="checkbox"/> Semester following approval. OR <input type="checkbox"/> Specific Date ² : _____			
Dept Contact Person: <u>Terry Lennie</u>		Phone: <u>3-6631</u>	Email: <u>tlennie@uky.edu</u>

CHANGE(S) IN PROGRAM REQUIREMENTS

	<u>Current</u>	<u>Proposed</u>
1. Number of transfer credits allowed: <i>(Maximum is Graduate School limit of total of 9 hours (or 25% of the credit hours needed to fulfill the pre-qualifying residency requirement.)</i>	_____	_____
2. Residence requirement: <i>(Minimum of one year before and after Qualifying Exams.)</i>	_____	_____
3. Language(s) and/or skill(s) required:	_____	_____
4. Provisions for monitoring progress and termination criteria:	_____	_____
5. Total credit hours required:	<u>73</u>	<u>59-64</u>
6. Required courses:	<u>see attached Table 1</u>	<u>see attached Table 1 and 2</u>
7. Required distribution of courses within program:	_____	_____
8. Minor area or courses outside program required:	_____	_____
9. Distribution of courses levels required (400G-500/600-700):	_____	_____
10. Qualifying examination requirements:	_____	_____

¹ Prior to filling out this form, you MUST contact the Associate Provost for Academic Administration (APAA). If you do not know the CIP code, the APAA can provide you with that during the contact.

² Programs are typically made effective for the semester following approval. No program will be made effective until all approvals are received.

CHANGE DOCTORAL DEGREE PROGRAM FORM

11. Explain whether the proposed changes to the program (as described in numbers 1 through 10) involve courses offered by another department/program. Routing Signature Log must include approval by faculty of additional department(s).

None of the changes involve departments or programs outside the college of nursing

12. Other requirements not covered above:

13. What is the rationale for the proposed changes? If the rationale involves accreditation requirements, please include specific references to those requirements.

Enrollment in the Masters program in nursing is currently suspended, thus, we are not awarding a MSN degree to newly enrolled students. The proposed changes eliminate the courses in the current BSN entry option of the PhD curriculum that were required for the Masters degree and retain the courses required for the PhD degree. BSN entry students will take two clinical courses from the DNP program to provide a clinical foundation at the advanced practice level that will inform the student's program of research. Students may take the two course sequence in one of four clinical tracks offered in the DNP program: Adult Clinical Nurse Specialist, Pediatric Nurse Practitioner, Psychiatric Mental Health, or Population & Organizational Leadership. (See Table 2) Graduate School approval of all potential clinical courses that students may take from the DNP program is requested so these courses can be counted toward PhD degree requirements.

Comments:

³ Councils use this space to indicate approval of revisions made subsequent to that council's approval, if deemed necessary by the revising council.

Table 1. Curriculum	
Current BSN-PhD	Proposed BSN-PhD, Dec. 2011
Master Level Courses	
NUR 604 Leadership in Advanced Practice Nursing	Eliminated
NUR 631 Applications of Advanced Health Assessment	Eliminated
NUR 653 Advanced Pathophysiology	Eliminated
NUR 652 Advanced Pharmacology	Eliminated
NUR7XX Specialty Course I	NUR9XX Specialty Course I (Table 2)
NUR7XX Specialty Course II	NUR9XX Specialty Course II or III (Table 2)
NUR7XX Specialty Course III (depending on track)	Eliminated
NUR7XX Specialty Course IV(depending on track)	Eliminated
PhD Courses	
NUR 770 Philosophy of Science	No change
NUR 771 Research Experience	No change
NUR 778 Proseminar in Contemporary Health and Nursing Policy Issues	No change
NUR 779 Doctoral Seminar I	No change
NUR 779 Doctoral Seminar II	No change
NUR 779 Doctoral Seminar III	No change
NUR 790 Knowledge Development in Nursing	No change
NUR 791 Qualitative Methods in Nursing Research	No change
NUR 792 Quantitative Methods in Nursing Research	No change
NUR 793 Measurement of Nursing Phenomena	No change
Cognate I	No change
Cognate II	No change
Cognate III	No change
Statistics Course I	No change
Statistics Course II	No change
NUR794 Analysis and Presentation of Data	No change
NUR 767 Dissertation Residency	No change
MSN degree awarded at qualifying exam	No MSN degree awarded
Students can take additional course work to be eligible for certification	Students not eligible to sit for certification
	Specialty cognates from one of 4 areas: Adult, Pediatrics, Psychiatric Mental Health or Population & Organizational Leadership. (Track coordinators have agreed to waive pre requisites to the specialty courses for BSN-PhD students

NOTE: Independent studies or elective are customized to meet students individual needs. For example NUR 620 can be taken if advisor believes student needs additional clinical content or experience or courses in the teaching certificate program for those wanting teaching experience.

Table 2. Course options	
Specialty Track	Specialty Track Courses
Adult Clinical Nurse Specialists	(R) NUR 945: The Adult-Gerontology Clinical Nurse Specialist in Contemporary Health Care Systems (R) NUR 946: Advanced Nursing Interventions for Adult Clinical Nurse Specialists
Pediatrics	(R) NUR 955: Pediatric Development & Wellness: Advanced Role Concepts (E) NUR 956: PNP-Primary Care: Common Acute Illness Management (E) NUR 957: PNP-Primary Care: Chronic Illness and Special Needs Management
Psychiatric-Mental Health	(R) NUR 965: Roles and Practice Issues for the Advanced Practice Psychiatric Nurse (E) NUR 966: Diagnosis and Management of Psychiatric Disorders in Adults and Elderly (E) NUR 967: Diagnosis and Management of Psychiatric Disorders in Children, Adolescents, and Young Adults
Population & Organizational Leadership	(R) NUR 972: Population and Organizational Systems Leadership I: Healthy Practice Environments (R) NUR 974: Populations and Organizational Systems Leadership II Seminar: Management of Population Health in Complex Healthcare Systems (R) NUR 975: Populations and Organizational Systems Leadership II Clinical: Management of Population Health in Complex Healthcare Systems

(R) = required

(E) = elective: must take one elective course in track

2. Specialty Standards: Scope and Standards of Public Health Nursing
 - I. Assessment: The public health nurse assesses the health status of populations using data, community resource identification, input from the population and other stakeholders, and professional judgment.*
 - II. Population Diagnosis and Priorities: The public health nurse analyses the assessment data to determine the population diagnoses or priorities.*

3. Specialty Competencies: Public Health Nursing Competencies (PHN Specialist/Executive) related to this course
 - I. Analytic Assessment Skills*
 - II. Policy Development/Program Planning Skills*
 - III. Communication Skills*
 - IV. Cultural Competency Skills*
 - V. Community Dimensions of Practice Skills*
 - VI. Basic Public Health Sciences Skills*
